

# THECOVENTURES

FROM VISION TO VENTURE

## REFUEL SAFE

The Resafe offers a practical, automated solution for dispensing essential safety gear. Ideal for production floors, hospitals, and medical colleges, it ensures authorized personnel have 24/7 access to crucial compliance consumables while tracking usage.

### CORE CAPABILITIES

#### ✓ Sure-Vend Technology

Advanced drop sensors guarantee precise and successful item dispensing every transaction.

#### ✓ Enhanced Illumination

Dual-sided brilliant LED lighting maximizes product visibility and user engagement.

#### ✓ Smart Authentication

Seamless RFID and employee ID integration to accurately monitor safety compliance.

#### ✓ Robust Construction

Heavy-duty cabinet design with anti-theft dispensing mechanisms to safeguard essential inventory.
