To Whom It May Concern,

I am pleased to provide this letter of support for the Helping Hoosiers Heroes Foundation. The organization's mission to serve veterans, first responders, and future workforce candidates through education and employment pathways is both timely and commendable.

Helping Hoosiers Heroes Foundation offers a forward-looking approach to workforce development by bringing together educational institutions, employers, veteran-serving organizations, and government partners in a coordinated network. Their work seeks to address ongoing workforce needs while recognizing the distinct experiences of transitioning service members and public safety professionals.

The Foundation's leadership has consistently demonstrated a collaborative spirit in its engagement with state agencies and community stakeholders. Their model shows promise for contributing to meaningful economic and social benefits across Indiana.

I commend the Helping Hoosiers Heroes Foundation for its commitment to service and innovation. I anticipate continued engagement as their statewide initiatives progress.

Sincerely,

Micah Beckwith
