Bangalore, Karnataka, India

## PROFESSIONAL SUMMARY

Motivated Bachelor of Engineering student with foundational expertise in Full Stack Web Development and modern web technologies. Proven ability to build responsive web applications and a strong track record in competitive hackathons. Eager to leverage technical skills in a professional internship to deliver impactful software solutions and accelerate industry learning.

## EDUCATION

### Bachelor of Engineering (BE)

Expected Graduation: 2027

Adichunchanagiri University (ACU), Bangalore

## TECHNICAL SKILLS

Programming & Web Technologies	HTML5, CSS3, JavaScript (ES6+), React (Fundamentals)
Developer Tools	Git, GitHub, Visual Studio Code
Core Concepts	Responsive Web Design, Frontend Development, Basic Full Stack Development
Languages	English, Hindi, Kannada

## PROJECTS

### Full Stack Web Development Project

2024

Personal Project | HTML · CSS · JavaScript

- Designed and developed a fully responsive web application, ensuring compatibility across devices and screen sizes.
- Implemented a modern UI leveraging CSS Flexbox/Grid and JavaScript DOM manipulation for dynamic interactivity.
- Applied web deployment best practices and version control (Git/GitHub) throughout the development lifecycle.

## ACHIEVEMENTS & CERTIFICATIONS

- Top 10 Finalist** – BGSCET Hackathon | Ranked in the top 10 among 60 competing teams. 2024
- Bengaluru Skill Summit 2025** | Selected participant at the Government of Karnataka's flagship skill development event. 2025
- Full Stack Web Development Certification** | Completed structured programme covering HTML, CSS, JavaScript and React. 2024

## INTERNSHIP OBJECTIVE

Actively seeking a Web Development or Software Development internship where I can apply my academic knowledge, contribute to real-world projects, and grow alongside an experienced engineering team.

## INTERESTS

- Web Development
- Competitive Hackathons
- Open Source Exploration
- Software Engineering
