WHO WE ARE

One-Stop Sourcing Partner for Industry

We Trade and Supply a vast inventory across all key segments, including: **Electrical, Pneumatic, Mechanical components, Biofuel Technologies, Automation Systems, Industrial Regular & Food Grade Lubricants, Industrial and Laboratory Chemicals**, a comprehensive range of **Metals and their fittings** (Stainless Steel, Mild Steel, Cast Iron, Galvanized Iron, and specialized imported alloys), **Industrial Conveyor Belts** of all types & crafted from diverse materials, all types of **Rubber, Teflon, PTFE, NVR O-Rings and Gas Kits, Safety Items, Hardware Items, Special Cutting Tools** & much more. We proudly represent and distribute the leading brands from across the globe, ensuring exceptional quality and reliability for your operations, wherever you are.

Global Brand Partners

100%

Quality Assured Sourcing

Every category is covered in detail on the following pages.

CATEGORY 01

Electrical Components

Control, sensing and power distribution essentials

- Contactors, relays & overload protection
- Limit, proximity & photoelectric sensors
- Push buttons, indicators & selector switches
- Control panels, enclosures & junction boxes
- Thermocouples, RTDs & temperature gauges
- Industrial cables & wiring accessories
- LED lighting & flow meters / valves

Siemens • Schneider • ABB • Omron • Honeywell

CATEGORY 01 — TRUSTED BRANDS

Electrical Components

CATEGORY 02

Pneumatics & Hydraulics

Fluid power systems for motion and control

- Pneumatic cylinders, actuators & rotary drives
- FRL units — filters, regulators & lubricators
- Hydraulic pumps, motors & power packs
- Solenoid & directional control valves
- Push-in fittings, hoses & quick couplings
- Pressure gauges & flow control valves

Festo • SMC • Parker • CKD • Rexroth

CATEGORY 02 — TRUSTED BRANDS

Pneumatics & Hydraulics

CATEGORY 03

Industrial Mechanical Items

Precision motion and drive-train components

- Ball, roller & thrust bearings + pillow blocks
- Oil seals, gaskets & bronze bushes
- Gearboxes, couplings & sprockets
- Precision gears (metal & engineering plastic)
- Shafts, crankshafts & machine spindles
- Cutting tool holders & collets

SKF • NSK • NTN • Timken • FAG • Schaeffler

CATEGORY 03 — TRUSTED BRANDS

Industrial Mechanical Items

CATEGORY 04

Industrial Automation

PLCs, drives and robotics for smart production lines

- PLCs, HMIs & SCADA-ready controllers
- Variable frequency drives (VFDs)
- Servo motors, drives & motion systems
- Industrial robotic arms & line automation
- Sensors, encoders & communication cables
- Industrial power supplies

Siemens • ABB • Rockwell • Yaskawa • Mitsubishi

CATEGORY 04 — TRUSTED BRANDS

Industrial Automation

CATEGORY 05

Industrial Lubricants

Food grade, high-temperature, regular & special-operation oils

- NSF H1 food-grade lubricants & greases
- High-temperature & specialty greases
- Gear oils & hydraulic fluids
- Chain, wire rope & open-gear lubricants
- Anti-rust, penetrating & cleaning sprays
- Cutting & coolant oils

Castrol • Mobil • Shell • ExxonMobil • Fuchs

CATEGORY 05 — TRUSTED BRANDS

Industrial Lubricants

CATEGORY 06 – 07

Metals, Shapes & Fittings

Raw stock and precision forms — SS, MS, CI, GI & alloys

MATERIALS WE SOURCE

- Stainless Steel
- Mild Steel
- Cast Iron
- Wrought Iron
- Galvanized Iron
- Carbon Steel
- Alloy Steel
- Aluminium
- Brass
- Copper
- Zinc
- Titanium
- Lead
- Tin
- Carbide

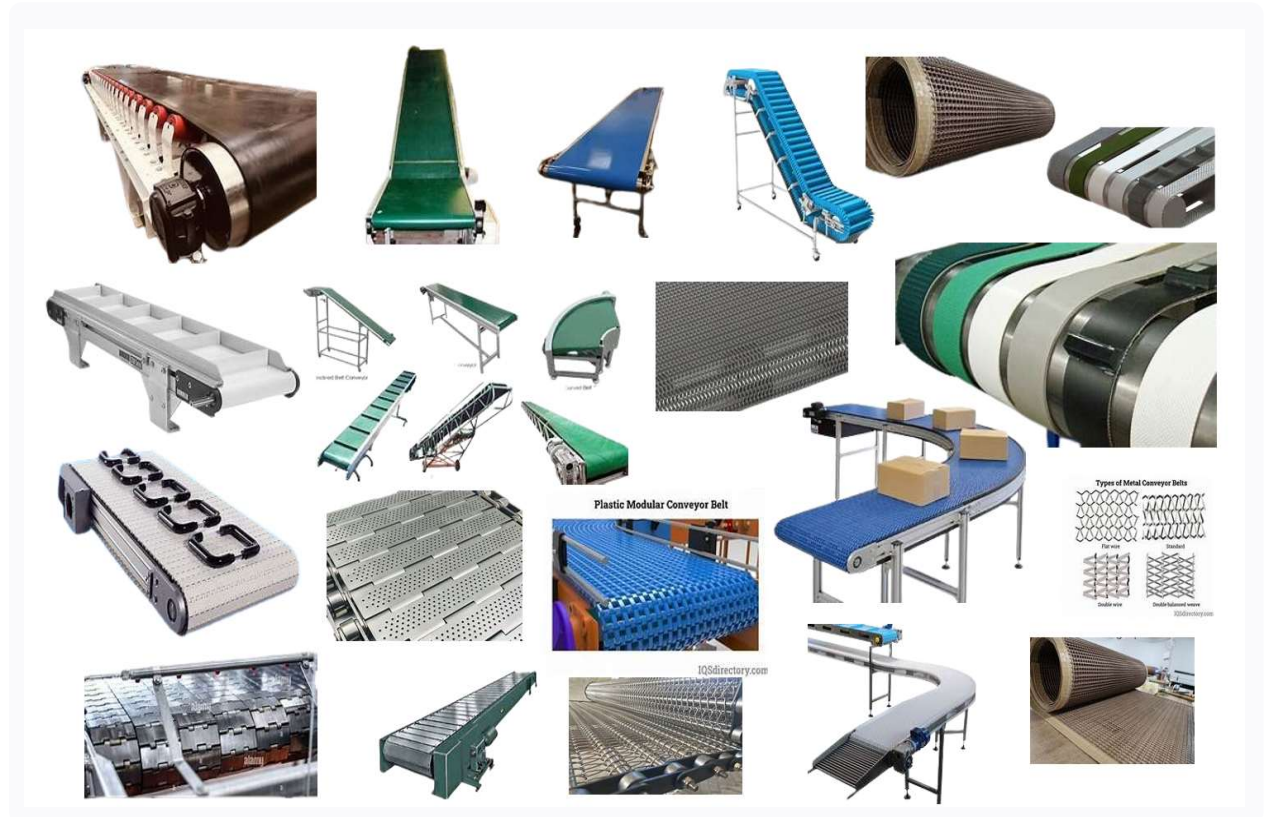

CATEGORY 08

Industrial Modular Conveyor Belts

Belt systems engineered for material handling at scale

- Plastic modular belts
- Metal mesh & wire belts
- Rubber & PVC conveyor belts
- Inclined & curved belt conveyors
- Roller & flat-wire belt systems

Custom-built to line specification

CATEGORY 09

Industrial Transmission Belts

Engineered for consistent torque transfer across automotive, food-processing and heavy-industry drivelines

Flat Belts

V-Belts

Timing Belts

Circular Belts

Synchronous Belts

Banded Belts

Rope Belts

Poly Belts

Sponge-Coated Belts

Drive Pulley Belts

Teethery Belts

Energy-Saving Belts

Automotive Power Transmission Belts

CATEGORY 10 – 11

Utility Chemicals & Sealing Solutions

Treatment chemistry and sealing materials cut to specification

Utility & Laboratory Chemicals

ETP & STP Treatment Chemicals

Boiler Water Treatment Chemicals

R.O. Membrane & System Chemicals

Water Treatment Plant Chemicals

Laboratory Reagents & Chemicals

Industrial Cleaning & Plant Maintenance Chemicals

O-Rings & Gaskets

*NBR • Silicon • Rubber • EPDM • Teflon • PTFE • SBR • Viton • FKM • PU • Buna • FG
Silicon*

- Custom sizes & durometer ratings
- Chemical, heat & abrasion-resistant grades
- Food-grade & pharma-compliant options
- Gaskets cut to drawing or sample

Flat Gaskets

Sealing Kits

Custom Profiles

Safety Items

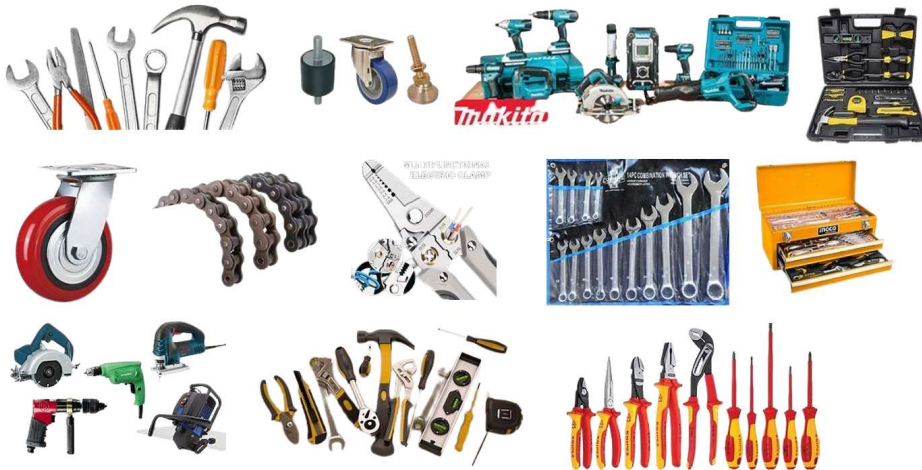

- Helmets, gloves & safety goggles
- Safety shoes & full-body harnesses
- Fire extinguishers & fire hose reels
- Hi-vis jackets & complete PPE kits
- Gas detection & confined-space gear

CATEGORY 13 – 14

Hardware & Special Cutting Tools

Hand, power and precision cutting tools for any workshop

Hardware & Tools

Power tools, hand tool kits, casters, chains & storage cases

Makita • Ingco

Special Cutting Tools

Carbide end mills, HSS drills, milling & threading tools

Carbide & HSS grades

CATEGORY 15

Packaging Films & Boards

LDPE, HDPE, stretch film & cardboard for secure product packing

- LDPE sheets, liners & rolls
- HDPE sheets & rigid packaging boards
- LLDPE stretch film for pallet wrapping
- Corrugated cardboard sheets & export cartons
- MDF & HDF engineered boards
- Custom die-cut & laminated packaging

Export-compliant packaging, cut & sized to spec

CATEGORY 16

Plywood, MDF & Jungle Wood

High-grade timber, boards & jungle wood for support and export

- Commercial & shuttering grade plywood
- Decorative veneer plywood (Okoume, Makai)
- MDF & HDF boards for cabinetry & millwork
- Indian jungle wood — Sheesham, Kikar, Neem, Babool
- Wooden pallets, crates & ISPM-15 dunnage
- Custom-cut wooden pieces & chiran

Trusted timber supply for support, packing & export
