Why partner with Spexus?

Delivering Excellence across Africa

About Spexus Consulting

A dynamic consulting and sourcing firm providing end-to-end procurement, regulatory, and trade facilitation solutions for businesses across Africa

Sourcing (Local & International)

- Vendor identification and evaluation
- Procurement of machinery, consumables, tools, and industrial supplies
- Negotiation, quality assurance, and supply chain optimization

Regulatory Compliance Assistance

Support for navigating Ghanaian and international regulatory frameworks, including:

- Licensing and permit acquisition
- Precious minerals export compliance
- Regulatory advisory for foreign partners entering Africa

Import & Export

Specialize in shipping goods from China to Ghana, Nigeria and other African countries via sea and air cargo, handling all logistics and regulatory requirements for smooth and timely delivery.
