

MILLENNIUM FOOT CARE

DEDICATED TO YOUR FOOT HEALTH

ROUTINE MEDICAL FOOT CARE *SERVICE PRICE LIST*

Routine foot care includes some or all the following treatments to be performed.

- Perform skin assessment of the feet (checking for moist or dry areas, corn or calluses)
- Trim toenails
- Reduce nail thickness (by sanding nails)
- Remove corn and calluses
- Remove ingrown toenails
- Apply hydrating lotion

The Foot Care Nurse may make recommendations for you to **visit your Podiatrist or Medical Doctor** if other problems are discovered during the brief history and physical examination.
